IMPORTANT INFORMATION

- Bring your vet records with you or you can have your vet fax them ahead of time.

- You may bring toys and treats from home.
- We do provide comfortable bedding and bowls (as well as litter and litter pans for cats). You may bring a small blanket from home to make your pet more comfortable. Please be sure the blanket is small and washable. We like to keep everything clean!
- All dogs are required to wear a snap or buckle type collar or harness for walking and playing. No choke chain type collars please.
- We feed our normal healthy adult dogs once daily. We do feed puppies under a year old, senior dogs and dogs who eat very quickly twice daily!
